

## Life Strategies Feature of the Month: November 2014

### Canada Career Week

November 3-7, 2014 is Canada Career Week. It is a time for us to reflect on our current career path, research labour market trends and career opportunities, and proactively plan for the future. For career practitioners, it is a time to promote proactive career management practices and support career conversations. You will find an active social media campaign promoting all things career management. Like the Facebook page at [www.facebook.com/CCWSSC](http://www.facebook.com/CCWSSC).

The Canadian Council for Career Development ([CCCD](http://www.cccd.ca)) is running a Career Development Challenge launching Nov 3rd. The challenge will take 5-10 minutes and can be completed at <http://careerchallenge.ca/>. It is an interactive tool that explores skill and will relating to career development. CCCD also encourages you to follow them on Facebook ([www.facebook.com/pages/Canadian-Council-for-Career-Development](http://www.facebook.com/pages/Canadian-Council-for-Career-Development)) and Twitter [@cccdchallenge](https://twitter.com/cccdchallenge).

Take the quiz and get involved in the discussion!
